

April 29th, 2020

To the Families at Dartmouth Day Care Centre,

We hope this note finds you safe. The Dartmouth Day Care Board of Directors acknowledges that this has been a potentially stressful time and, indeed, a tragic time for our province at large. Our thoughts are with each of you.

This note serves as an update; as of this writing daycare centres in the province remain closed until the province of Nova Scotia declares otherwise. DDC remains in compliance with this mandate. Further updates will be provided as the situation changes.

As previously stated, DDC will always cooperate with provincial and federal mandates that pertain to the COVID-19 outbreak. The Nova Scotia Department of Education has made it clear that **no fees will be charged** to families during the dates of centre closure.

As the spring weather unfurls, we hope you continue to remain safe as we all work together to halt the spread of this virus.

Kind Regards,

A handwritten signature in black ink, appearing to read 'Catherine-Laura Dunnington', written in a cursive style.

Catherine-Laura Dunnington, Chair

The Board of Directors
Dartmouth Day Care Centre
